Dear Residents, Family, and Friends,

I wanted to take this somewhat belated "Thank you" to tell all of our volunteers how much we appreciate the time and their efforts. We have been so fortunate to have volunteers that have been with us for several years to students that come and go. Everyone touches our lives and the resident's lives in ways that they may not even be aware of. Please do me a favor, and thank the volunteers each time you see them. We are able to do so many more activities thanks to their generosity.
